CHAP. 77.—An Act For the right of the Rock Island, Muscatine and Southwestern Railway Company to build a bridge across the Illinois and Mississippi canal.

Rock Island, Muscatine and Southwestern Railway Company may build bridge across Illinois and Mississippi Canal.

Location.

Provisos.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Rock Island, Muscatine and Southwestern Railway Company, organized under the laws of the State of Illinois, is hereby authorized to build a drawbridge for wagon and railroad purposes across the Illinois and Mississippi canal in sections numbered nine or ten, township seventeen, range two, west of the fourth principal meridian, situate in the county of Rock Island and State of Illinois, and about two thousand two hundred feet in an easterly direction from lock numbered thirty-seven. Said bridge to be built according to the requirements of the War Department: *Provided*,

That the said drawbridge shall span the entire canal, or at least span with one draw span the sixty-foot bottom width of the canal, and shall be built with suitable girders and retaining walls, similar to what have been built by the United States at the bridges at Milan, Illinois, and with the axis of the bridge perpendicular to the axis of the canal: *Provided also*, That the lowest member of the bridge shall be above the grade of the north embankment, and suitable provision be made for the towpath, and highway crossings along the crossing of the south embankment of the canal and the railroad tracks and embankment: *And provided further*, That the draw shall be opened promptly upon reasonable signal for the passing of boats; and the owners of the bridge shall maintain, at their own expense, from sunset till sunrise, such lights or other signals on said bridge as the Light-House Board may prescribe.
