"That each entryman under the homestead laws shall, within five years from the date of his original entry and before receiving a final certificate for the land covered by his entry, pay to the United States for the land so taken by him in addition to fees provided by law the sum of one dollar and fifty cents per acre, one third of which shall be paid within two years after the date of the original entry; but the rights of honorably discharged Union soldiers and sailors, as defined and described in sections twenty-three hundred and four and twenty-three hundred and five of the Revised Statutes of the United States, shall not be abridged, except as to the sum to be paid as aforesaid," and

Whereas by section six of said act it is provided:

"That the land used and occupied for school purposes at what is known as Tonasket school, on Bonaparte Creek, and the site of the sawmill, gristmill, and other mill property on said reservation, is hereby reserved from the operation of this act, unless other lands are selected in lieu thereof: *Provided*, That such reserve lands shall not exceed in the aggregate two sections, and must be selected in legal subdivisions conformably to the public surveys, such selection to be made by the Indian Agent of the Colville Agency, under the direction of the Secretary of the Interior and subject to his approval: *Provided, however*, That said Indians may, in lieu of said sites or either of them, select other lands of equal quantity, for such purposes, either on the vacated or unvacated portions of said reservation, the same to be designated in legal subdivisions by said Indian Agent, under the direction of and subject to the approval of the Secretary of the Interior, in which case said first-designated tracts shall not be exempt from the operation of this act; such selection to be made and approved within six months after the survey of said lands and the proclamation of the President," and

and in another clause that,

"The Indian allotments in severalty provided for in said act shall be selected and completed at the earliest practicable time and not later than six months after the proclamation of the President opening the vacated portion of said reservation to settlement and entry, which proclamation may be issued without awaiting the survey of the unsurveyed lands therein. Said allotments shall be made from lands which shall at the time of the selection thereof be surveyed, excepting that any Indian entitled to allotment under said act who has improvements upon

unsurveyed land may select the same for his allotment, whereupon the Secretary of the Interior shall cause the same to be surveyed and allotted to him. At the expiration of six months from the date of the proclamation by the President, and not before, the non-mineral lands within the vacated portion of said reservation which shall not have been allotted to Indians as aforesaid, shall be subject to settlement, entry and disposition under said act of July first, eighteen hundred and ninety-two: *Provided*, That the land used and occupied for school purposes at what is known as Tonasket School, on Bonaparte Creek, and the sight of the sawmill, gristmill and other mill property on said reservation, are hereby reserved from the operation of this act, unless other lands are selected in lieu thereof as provided in section six of the aforesaid act of July first, eighteen hundred and ninety-two, and
