

Unobstructed navigation.	SEC. 3. That if said bridge erected and maintained under the authority of this Act shall at any time unreasonably obstruct the free navigation of said river, or shall, in the opinion of the Secretary of War, unreasonably obstruct such navigation, he is hereby authorized to cause such change or alteration of said bridge to be made as will effectually obviate such obstruction; and such alteration shall be made and all such obstructions be removed at the expense of the owners or operators of said bridge; and in case of any litigation arising from the obstruction or alleged obstruction to the free navigation of said river the case may be brought in the district court of the United States for the western district of Louisiana: <i>Provided</i> , That nothing in this Act shall be so construed as to repeal or modify any of the provisions of law now existing in reference to the protection of the navigation of rivers, or to exempt said bridge from the operation of same.
Changes.	
Litigation.	
<i>Proviso.</i> Existing laws not affected.	
Use by other roads.	SEC. 4. That all railroad companies desiring to use the said bridge shall have and be entitled to equal rights and privileges relative to the passage of railway trains over the same and the approaches thereto upon the payment of a reasonable compensation for such use, which compensation may be different in case of different railways. In case of disagreement as to compensation for the use of said bridge the difference shall be determined by the Secretary of War upon hearing the allegations and proof of the parties in interest.
Compensation.	
Secretary of War to approve plans, etc.	SEC. 5. That the bridge authorized to be constructed under this Act shall be built and located under and subject to such regulations for the security of navigation of said river as the Secretary of War shall prescribe; and to secure that object the said company or corporation shall submit to the Secretary of War, for his examination and approval, a design and drawing of said bridge, and a map of the location, giving, for the space of one mile above and one mile below the proposed location of the bridge, the topography of the banks of the river, with shore lines at high and low water, the direction and strength of the currents at all stages, and the soundings accurately showing the bed of the stream, the location of any other bridge or bridges, and shall furnish such other information as may be required for a full and satisfactory understanding of the subject. And until said plans and location of the bridge are approved by the Secretary of War the bridge shall not be built; and should any change be made in the plan of the said bridge during the process of construction or after completion, such change shall be subject to the approval of the Secretary of War.
Changes.	
Time of construction.	SEC. 6. That this Act shall be null and void if actual construction of the bridge herein authorized be not commenced within one year and completed within four years from the date hereof.
Amendment.	SEC. 7. That the right to alter, amend, or repeal this Act is hereby expressly reserved.
