CHAP. 891.—An Act To authorize the construction of a bridge across the Savannah River from the mainland of Aiken County, South Carolina, to the mainland of Richmond County, Georgia.

<p>Savannah River, S. C. and Ga. Chattanooga, Augusta and Charleston Air Line Railway Company may bridge.</p> <p>Location.</p> <p>Unobstructed navigation.</p> <p>Secretary of War to approve plans, etc.</p>	<p><i>Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the assent of the United States of America is hereby given to the Chattanooga, Augusta and Charleston Air Line Railway Company, a corporation incorporated by the laws of the State of South Carolina, its successors and assigns, and such other persons as may be associated with it, to construct and maintain a bridge over the Savannah River from the mainland of Aiken County, in the State of South Carolina, to the mainland of Richmond County, in the State of Georgia.</i></p> <p>Sec. 2. That the bridge shall be so constructed, by draw span or otherwise, that a free and unobstructed passage may be secured to all vessels and other water craft navigating said river at said point; that any bridge constructed under this Act shall be built and located under and subject to such regulations for the security of the navigation of said river as the Chief of Engineers and the Secretary of War shall prescribe; and to secure that object the said company shall submit to the Chief of Engineers and the Secretary of War, for their examination and approval, the design and drawings of the bridge, piers, and approaches, and a map of the location, giving, for the space of at least one mile above and one mile below the proposed location, the topography of the banks of the river, the shore lines at high water and low water, and the direction and strength of the currents at all stages, and the</p>

soundings, accurately showing the bed of the stream, and the location of other bridge or bridges, wharves, landings, or ferries, and shall furnish such other information as shall be required for a full and satisfactory understanding of the subject; and until said plan and location of the bridge are approved by the Chief of Engineers and the Secretary of War the bridge shall not be commenced or built, and after such approval by the Chief of Engineers and the Secretary of War the approved plans and designs for the bridge shall not be deviated from or added to, either during the construction or after the completion of the bridge, until the proposed change shall have been submitted to the Chief of Engineers and the Secretary of War and received their approval; and the said bridge shall be at all times so kept and managed as to offer reasonable and proper means for the passage of vessels navigating said river at said point through or under said bridge; and if said bridge be built with a draw, said draw shall be opened promptly upon reasonable signal for the passage of boats or other craft; and whatever kind of bridge is built, the said company or corporation shall maintain, at its own expense, from sunset to sunrise, such lights or other signals thereon as the Light-House Board shall prescribe; and if at any time the navigation of said river shall in any manner be obstructed or impaired by the bridge authorized by this Act to be construed, the Secretary of War shall have authority, and it shall be his duty, to require said company to alter and change said bridge at its own expense in such manner as may be proper to secure free and complete navigation without impediment.

Aids to navigation.

Lights, etc.

Changes.

SEC. 3. That any bridge built under this Act and subject to its limitations shall be a lawful structure, and shall be recognized and known as a post route, upon which also no higher charge shall be made for the transmission over the same of the mails, the troops, and munitions of war of the United States or passengers or freight over said bridge than the rate per mile paid for the transportation over the railroads or public highways leading to said bridge, and it shall enjoy the rights and privileges of other post-roads of the United States; and equal privileges in the use of said bridge shall be granted to all telegraph and telephone companies, and the United States shall have the right of way across said bridge and its approaches for said postal-telegraph purposes.

Lawful structure and post route.

Telegraph, etc., rights.

SEC. 4. That all railroad companies desiring the use of said bridge and its approaches shall have and be entitled to equal rights and privileges relative to the passage of trains over the same upon payment of a reasonable compensation for such use; and in case the owner or owners of said bridge and the several railroad companies, or any of them, desiring such use shall fail to agree upon the sum or sums to be paid, or upon rules and conditions to which each shall conform in using said bridge and approaches, all matters at issue between them shall be decided by the Secretary of War upon a hearing of the allegations and proofs of the parties.

Use by other companies.

CHAP. 941.—An Act For the establishment, control, operation, and maintenance of a National Sanitarium of the National Home for Disabled Volunteer Soldiers at Hot Springs, in the State of South Dakota.

National Home for Disabled Volunteer Soldiers.
Appropriation for sanitarium, Hot Springs, S. Dak.

Post, p. 1137.

Proviso.
Donation of land.

Appropriation for transportation, etc.

Proviso.
Admission of patients.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That one hundred and fifty thousand dollars be, and the same is hereby, appropriated for the erection of a National Sanitarium for Disabled Volunteer Soldiers at Hot Springs, in the State of South Dakota, which shall be erected by and under the direction of the Board of Managers of the National Home for Disabled Volunteer Soldiers, which Sanitarium, when in a condition to receive members, shall be subject to such rules, regulations, and restrictions as shall be provided by said Board of Managers: *Provided,* That such Sanitarium shall be erected on land donated to the United States by the people of Hot Springs, South Dakota, and accompanied with a deed of perpetual lease to one or more of the medical or hot springs for the use of the above-named Sanitarium, the location and area of the land and springs of hot water to be selected by the Board of Managers of the National Home for Disabled Volunteer Soldiers, or such persons as they may appoint to make the selection of location and hot springs, and that exclusive jurisdiction shall be vested in said Board of Managers over the premises occupied by said Sanitarium as over other realty held by said Board until further enactment by the Congress of the United States.

SEC. 2. That the further sum of twenty thousand dollars is hereby appropriated, to be used for the transportation to and from said Sanitarium of such patients as may be ordered to said Sanitarium by said Board of Managers and for equipping and maintaining said Sanitarium, subject to the aforesaid rules and regulations of said Board of Managers: *Provided,* That any member of the National Home for Disabled Volunteer Soldiers who shall be certified to said Sanitarium by the medical and legal authorities of said Board of Managers shall be admitted and treated thereat until discharged therefrom or returned to some Branch of the National Home by order of said Board of Managers.
