

CHAP. 1617.—An Act To authorize the Capital City Improvement Company, of Helena, Montana, to construct a dam across the Missouri River.

April 12, 1906.
[S. 4130.]

[Public, No. 93.]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the consent of the Government is hereby given to the Capital City Improvement Company, of Helena, Montana, its successors or assigns, to construct across the Missouri River, at some point between the south line of township twelve north, range two west, and the north line of township fourteen north, range three west, Montana meridian, to be determined by them and approved by the Secretary of War, a dam, canal, and appurtenances thereof, for water power, and other purposes, and in connection therewith a foot bridge, or bridges, for public use: *Provided,* That the plans for the construction of said dam and appurtenant works shall be submitted to and approved by the Chief of Engineers and the Secretary of War before the commencement of construction, and when so approved no change shall be made in said plans without the prior approval of the Chief of Engineers and the Secretary of War: *Provided further,* That whenever required to do so by the Secretary of War the said company shall construct and maintain in connection with said dam a suitable boom and log sluice; that suitable fishways, to be approved by the United States Fish Commissioner, shall be constructed and maintained in said dam by said corporation, its successors and assigns; and shall obtain and convey to the United States, whenever requested to do so by the Secretary of War, clear title to such land as in his judgment may be required for constructions and approaches to said dam for transferring boats and freight around the same, and shall grant to the United States a free use of water power for operating such construction work; and to insure compliance with these conditions the said company shall execute and deliver to the Secretary of War a proper bond in such amount as may be fixed by him: *And provided further,* That the said company shall be liable for any damage to private property resulting from the construction and operation of said dam and appurtenant works, either by overflow or otherwise, and proceedings to recover compensation for such damage may be instituted either in the State or Federal courts.

Amendment.

Approved, April 12, 1906.

CHAP. 1619.—An Act To amend and reenact section one of chapter seventy-seven of volume twenty-seven of the United States Statutes at Large, being "An Act to provide for a term of the United States circuit and district courts at Evanston, Wyoming," approved May twenty-third, eighteen hundred and ninety-two.

April 13, 1906.
[S. 535.]

[Public, No. 94.]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section one of chapter seventy-seven of volume twenty-seven of the United States Statutes at Large, being "An Act to provide for a term of the United States circuit and district courts at Evanston, Wyoming," approved May twenty-third, eighteen hundred and ninety-two, be, and the same is hereby, amended and reenacted so as to read as follows:

Wyoming judicial
district.
Vol. 27, p. 39, amend-
ed.

"That hereafter and until otherwise provided by law there shall be held annually, on the second Tuesday in July each year, a term of the circuit and district courts for the district of Wyoming at the town of Evanston, in said district, said term to be in addition to the terms now required by law to be held at the city of Cheyenne, in said district."

Terms at Evanston.

Approved, April 13, 1906.
