Such advances or loans shall be made upon such terms and conditions and subject to such regulations as the Secretary of Agriculture shall prescribe, including an agreement by each farmer to use the money obtained by him for the production of such crops as the Secretary of Agriculture may designate and to give a valid lien on the growing crops to be produced from money obtained through such loan or advance in manner and form as required by the laws of New Mexico, which said lien, when recorded, shall have priority in payment over all other liens or encumbrances of whatsoever kind on such crops. A first lien on the crop to be produced from money obtained through this loan or advance made under this Act shall, in the discretion of the Secretary of Agriculture, be deemed sufficient security therefor. All such loans or advances shall be made through such agencies as the Secretary of Agriculture shall designate, and in no instance shall any portion of funds obtained through the administration of this Act be used for the payment of obligations other than those incurred under the regulations as provided by the Secretary of Agriculture in the administration and in accordance with the provisions herein contained.
