## AN ACT

To establish a commission for the settlement of the special claims comprehended within the terms of the convention between the United States of America and the United Mexican States concluded April 24, 1934.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That (a) there is hereby established a commission to be known as the "Special Mexican Claims Commission" (hereinafter referred to as the "Commission") which shall be composed of three commissioners, learned in the law, to be appointed by the President. Such Commission shall have jurisdiction to hear and determine, as hereinafter provided, conformable to the terms of the Convention of September 10, 1923, and justice and equity, all claims against the Republic of Mexico, notices of which were filed with the Special Claims Commission, United States and Mexico, established by said Convention of September 10, 1923, in which the said Commission failed to award compensation, except such claims as may be found by the Committee provided for in the special claims Convention of April 24, 1934, to be General Claims and recognized as such by the General Claims Commission. For the purpose of this Act, claims which were brought to the attention of the American agency charged with the prosecution of claims before the aforesaid Commission, prior to the expiration of the periods specified in the convention of September 10, 1923, for the filing of claims, but which, because of error or inadvertence, were not filed with or brought to the attention of the Commission within the said periods, shall be deemed to have been filed with the Commission within such periods.

(b) The President shall designate one of such commissioners as chairman of the Commission. Not more than two of such commissioners shall be members of the same political party. Each commissioner shall be a citizen of the United States, shall hold office until the functions of the Commission are terminated, and shall receive a salary at the rate of \$7,500 a year. Any vacancy that may occur in the membership of the Commission shall be filled in the same manner as in the case of an original appointment. Two members of the Commission shall constitute a quorum for the transaction of its business.

SEC. 2. The Commission shall have a secretary, and such additional legal, clerical, and technical assistants as may be approved and appointed by the Secretary of State, and at the rates of compensation fixed by him.

SEC. 3. (a) Before taking up his duties, each commissioner shall make and subscribe a solemn oath or declaration that he will carefully and impartially examine and decide all claims according to the best of his judgment and in accordance with the evidence and the applicable principles of justice and equity, and the terms of the said convention of September 10, 1923. All decisions by the Commission, which shall be by majority vote, shall constitute a full and final disposition of the cases decided. Such decisions shall be based upon the present records in the cases and such additional evidence and written legal contentions as may be presented within such period as may be prescribed therefor by the Commission.

(b) The Commission shall have authority, in its discretion, to make independent investigations of cases. For the purpose of all investigations which, in the opinion of the Commission, are necessary and proper for carrying out the provisions of this Act, each commissioner is empowered to administer oaths and affirmations, subpoena witnesses, take evidence, and require the production of books, papers, or other documents which the commissioner or the Commission deems relevant to the inquiry.
