*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That the Act of August 26, 1935 (49 Stat. 866), which authorizes the appropriation of receipts from the Uinta and Wasatch National Forests for the purchase of lands in the State of Utah within the boundaries of said national forests, is hereby amended to read as follows:

C. 513), is hereby authorized to acquire by purchase any lands within the boundaries of the Uinta and Wasatch National Forests, in the State of Utah, which, in his judgment, should become the property of the United States in order that they may be so managed with other lands of the United States as to minimize soil erosion and flood damage, and to pay for said lands from the receipts derived from the sale of natural resources, other than mineral, and the occupancy of publicly owned lands within said national forests, which receipts are hereby authorized to be appropriated for that purpose until said lands have been acquired; all lands so acquired thereafter to be subject to and administered under the laws applicable to lands acquired under the provisions of said Act of March 1, 1911 (16 U.
