[Public Law 349]

Tunnel sites.
Suspension of cer-
tain work require-
ments.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That during the period beginning on the date of enactment of this Act and ending six months after the cessation of hostilities in the present wars as determined by proclamation of the President or concurrent resolution of the Congress, no location on the line of a tunnel run for the development of a vein or lode or for the discovery of mines, or veins or lodes not appearing on the surface, made by parties other than the owners of such tunnel, shall be considered valid because of the failure of such owners to prosecute work thereon with reasonable diligence as required by section 2323 of the Revised Statutes of the United States; and no right to undiscovered veins on the line of any such tunnel shall be considered to have been abandoned because of any failure to prosecute work thereon during such period: *Provided*, That every claimant of any such tunnel site, in order to obtain the benefits of this Act, shall file or cause to be filed in the office where the location notice or certificate is recorded, within six months from the date of this Act, a notice of his desire to hold the tunnel site claim under this Act.
