[CHAPTER 144]

AN ACT

April 20, 1946
 [H. R. 4239]
 [Public Law 350]

Granting to Guy A. Thompson, trustee, Missouri Pacific Railroad Company, debtor, and to his successors and assigns, authority to relocate, maintain, and operate a single-track railway across United States Government reservation at lock numbered 3, White River, Independence County, Arkansas, and for other purposes.

Relocation of railroad at lock No. 3, White River, Ark.

Conditions.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That license granted by the Secretary of War, of date September 14, 1943, to Guy A. Thompson, as trustee, Missouri Pacific Railroad Company, debtor, and to his successors and assigns, herein designated as grantee, to relocate Missouri Pacific Railroad tracks across United States Government reservation at lock numbered 3, White River, Independence County, Arkansas, and in connection therewith to remove a portion of the bluff and replace the previously existing trestle by solid fill obtained from the bluff, is ratified, and permission to maintain and to operate over said railroad track as so relocated is granted, subject to the following provisions and conditions, to wit: (a) That the exercise of the privileges hereby granted shall be without cost or expense to the United States, under the general supervision and subject to the approval of the officer of the Army having immediate jurisdiction over the property, and subject also to such regulations as may be prescribed by him from time to time; (b) that any property of the United States damaged or destroyed by the grantee incident to the exercise of the privileges herein granted shall be promptly repaired or replaced by the grantee to the satisfaction of the said officer, or in lieu of such repair or replacement the grantee shall, if so required by the said officer, pay to the United States money in an amount sufficient to compensate for the loss sustained by the United States by reason of damage to or destruction of Government property; (c) that the United States shall have the right to load or unload cars while on the main track in the vicinity of the lock: *Provided*, That regular scheduled trains are not thereby delayed; (d) that the grantee shall maintain at its own expense at some nearby point, a siding or spur track from which the United States can receive and forward freight, either in carload lots or less than carload lots; (e) that the grantee shall not use the river banks within a distance of one hundred and fifty feet above and below the limits of the lock walls, as a place for depositing spoil or waste, excepting under such conditions as may be approved by the said officer; (f) that the grantee shall supervise the said railroad track and cause it to be inspected at reasonable intervals, and shall immediately repair any defects found therein as a result of such inspection, or when requested by the said officer, to repair any defects; (g) that the grantee, at grantee's expense, shall maintain a pedestrian underpass; and (h) that the United States shall not be responsible for damages to property or injuries to persons which may arise from or be
