AN ACT

To amend the Public Health Service Act to provide for research relating to psychiatric disorders and to aid in the development of more effective methods of prevention, diagnosis, and treatment of such disorders, and for other purposes.

July 3, 1946
[H. R. 4512]
[Public Law 487]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "National Mental Health Act".

National Mental
Health Act.

PURPOSE

SEC. 2. The purpose of this Act is the improvement of the mental health of the people of the United States through the conducting of researches, investigations, experiments, and demonstrations relating to the cause, diagnosis, and treatment of psychiatric disorders; assisting and fostering such research activities by public and private agencies, and promoting the coordination of all such researches and activities and the useful application of their results; training personnel in matters relating to mental health; and developing, and assisting States in the use of, the most effective methods of prevention, diagnosis, and treatment of psychiatric disorders.

DEFINITIONS

SEC. 3. (a) Section 2 of the Public Health Service Act (42 U. S. C., ch. 6A) is amended by striking out the word "and" at the end of paragraph (j), by striking out the period at the end of paragraph (k) and inserting in lieu thereof a semicolon, and by inserting after paragraph (k) the following new paragraphs:

58 Stat. 682.
42 U. S. C., Supp.
V, § 201.

"(l) The term 'psychiatric disorders' includes diseases of the nervous system which affect mental health; and

"Psychiatric dis-
orders."

"(m) The term 'State mental health authority' means the State health authority, except that, in the case of any State in which there is a single State agency, other than the State health authority, charged with responsibility for administering the mental health program of the State, it means such other State agency."

"State mental
health authority."

SEC. 4. Section 208 (b) of the Public Health Service Act is amended to read as follows:

58 Stat. 685.
42 U. S. C., Supp.
V, § 209 (b).

"(b) (1) Whenever commissioned officers of the Service are not available for the performance of permanent duties requiring highly specialized training and experience in special fields related to public health, the Administrator on recommendation of the Surgeon General shall report that fact to the President and the President is authorized to appoint, by and with the advice and consent of the Senate, not to exceed three persons in any one fiscal year to grades in the Regular Corps of the Service above that of senior assistant, but not to a grade above that of director.

Appointments.

Post, p. 1049.

“(2) Officers may be appointed to grades in the Regular Corps of the Service above that of senior assistant, but not to a grade above that of director, to assist in carrying out the purposes of this Act with respect to mental health, but not more than twenty such officers appointed pursuant to this paragraph shall hold office at the same time.

“(3) For purposes of pay and pay period any person appointed under the provisions of this subsection shall be considered as having had on the date of appointment service equal to that of the junior officer of the grade to which appointed.”

NATIONAL ADVISORY MENTAL HEALTH COUNCIL

58 Stat. 686.
42 U. S. C., Supp.
V, § 210 (e).
Compensation for
attending conferences,
etc.

SEC. 5. (a) Subsection (e) of section 209 of the Public Health Service Act is amended to read as follows:

“(e) Members of the National Advisory Health Council, members of the National Advisory Mental Health Council, and members of the National Advisory Cancer Council, other than ex officio members, while attending conferences or meetings of their respective Councils or while otherwise serving at the request of the Surgeon General, shall be entitled to receive compensation at a rate to be fixed by the Administrator, but not exceeding \$25 per diem, and shall also be entitled to receive an allowance for actual and necessary traveling and subsistence expenses while so serving away from their places of residence.”

58 Stat. 691.
42 U. S. C., Supp.
V, § 218.

(b) The title of section 217 of such Act is amended to read “National Advisory Health, Cancer, and Mental Health Councils”.

(c) Subsection (b) of section 217 of such Act is amended to read as follows:

National Advisory
Health Council.
Duties.

“(b) The National Advisory Health Council shall advise, consult with, and make recommendations to, the Surgeon General on matters relating to health activities and functions of the Service. The Surgeon General is authorized to utilize the services of any member or members of the Council, and where appropriate, any member or members of the National Advisory Cancer Council or of the National Advisory Mental Health Council, in connection with matters related to the work of the Service, for such periods, in addition to conference periods, as he may determine.”

(d) Section 217 of such Act is further amended by adding at the end thereof the following new subsections:

Members.

“(d) The National Advisory Mental Health Council shall consist of the Surgeon General, ex officio, who shall be chairman, and six members to be appointed without regard to the civil-service laws by the Surgeon General with the approval of the Administrator. The six appointed members shall be selected from leading medical or scientific authorities who are outstanding in the study, diagnosis, or treatment of psychiatric disorders. Each appointed member shall hold office for a term of three years, except that any member appointed to fill a vacancy occurring prior to the expiration of the term for which his predecessor was appointed shall be appointed for the remainder of such term, and except that the first terms of the original appointed members shall expire, as designated by the Surgeon General at the time of appointment, two at the end of one year, two at the end of two years, and two at the end of three years. An appointed member shall not be eligible to serve continuously for more than three years but shall be eligible for reappointment if he has not served immediately preceding his reappointment.

National Advisory
Mental Health Coun-
cil.
Duties.

“(e) The National Advisory Mental Health Council shall advise, consult with, and make recommendations to, the Surgeon General on matters relating to the activities and functions of the Service in the field

of mental health. The Council is authorized (1) to review research projects or programs submitted to or initiated by it in the field of mental health and recommend to the Surgeon General, for prosecution under this Act, any such projects which it believes show promise of making valuable contributions to human knowledge with respect to the cause, prevention, or methods of diagnosis and treatment of psychiatric disorders; and (2) to collect information as to studies being carried on in the field of mental health and, with the approval of the Surgeon General, make available such information through the appropriate publications for the benefit of health and welfare agencies or organizations (public or private), physicians, or any other scientists, and for the information of the general public. The Council is also authorized to recommend to the Surgeon General, for acceptance pursuant to section 501 of this Act, conditional gifts for work in the field of mental health; and the Surgeon General shall recommend acceptance of any such gifts only after consultation with the Council."

HEALTH CONFERENCES

58 Stat. 693.
42 U. S. C., Supp.
V, § 244.

SEC. 8. Section 312 of the Public Health Service Act is amended to read as follows:

“HEALTH CONFERENCES

“SEC. 312. A conference of the health authorities of the several States shall be called annually by the Surgeon General. Whenever in his opinion the interests of the public health would be promoted by a conference, the Surgeon General may invite as many of such health authorities to confer as he deems necessary or proper. Upon the application of health authorities of five or more States it shall be the duty of the Surgeon General to call a conference of all State and Territorial health authorities joining in the request. Each State represented at any conference shall be entitled to a single vote. Whenever at any such conference matters relating to mental health are to be discussed, the mental health authorities of the respective States shall be invited to attend.”

GRANTS TO STATES

58 Stat. 694.
42 U. S. C., Supp.
V, § 240 (c).

SEC. 9. (a) Subsection (c) of section 314 of the Public Health Service Act is amended to read as follows:

Appropriation authorized.
Post, p. 691.

“(c) To enable the Surgeon General to assist, through grants and as otherwise provided in this section, States, counties, health districts, and other political subdivisions of the States in establishing and maintaining adequate public health services, including grants for demonstrations and for the training of personnel for State and local health work, there is hereby authorized to be appropriated for each fiscal year a sum not to exceed \$30,000,000. Of the sum appropriated for each fiscal year pursuant to this subsection there shall be available an amount, not to exceed \$3,000,000, to enable the Surgeon General to provide demonstrations and to train personnel for State and local health work and to meet the cost of pay, allowances, and traveling expenses of commissioned officers and other personnel of the Service detailed to assist States in carrying out the purposes of this subsection.”

Determination of allotments.

(b) Subsection (d) of such section is amended to read as follows:
“(d) For each fiscal year, the Surgeon General, with the approval of the Administrator, shall determine the total sum from the appropriation under subsection (a), the total sum from the appropriation under subsection (b), and, within the limits specified in subsection (c), the total sum from the appropriation under that subsection which shall be available for allotment among the several States. He shall, in accordance with regulations, from time to time make allotments from such sums to the several States on the basis of (1) the population, (2) the extent of the venereal-disease problem, the extent of the tuberculosis problem, and the extent of the mental health problem and other special health problems, respectively, and (3) the financial need of

the respective States. Upon making such allotments the Surgeon General shall notify the Secretary of the Treasury of the amounts thereof."

(c) Subsection (f) of such section is amended to read as follows:

"(f) The moneys so paid to any State shall be expended solely in carrying out the purposes specified in subsection (a), or subsection (b), or subsection (c) of this section, as the case may be, and in accordance with plans, approved by the Surgeon General, which have been presented by the health authority of such State and, to the extent any such plan contains provisions relating to mental health, by the mental health authority of such State."

Expenditures.

(d) Subsection (h) of such section is amended to read as follows:

"(h) Whenever the Surgeon General, after reasonable notice and opportunity for hearing to the health authority or, where appropriate, the mental health authority of the State, finds that, with respect to money paid to the State out of appropriations under subsection (a), or subsection (b), or subsection (c), as the case may be, there is a failure to comply substantially with either—

Failure to comply with requirements.

"(1) the provisions of this section;

"(2) the plan submitted under subsection (f); or

"(3) the regulations;

the Surgeon General shall notify such State health authority or mental health authority either that further payments will not be made to the State from appropriations under such subsection (or in his discretion that further payments will not be made to the State from such appropriations for activities in which there is such failure), until he is satisfied that there will no longer be any such failure. Until he is so satisfied the Surgeon General shall make no further certification for payment to such State from appropriations under such subsection, or shall limit payment to activities in which there is no such failure."

(e) Subsection (i) of such section is amended to read as follows:

"(i) All regulations and amendments thereto with respect to grants to States under this section shall be made after consultation with a conference of the State health authorities and, in the case of regulations or amendments which relate to or in any way affect grants under subsection (c) for work in the field of mental health, the State mental health authorities. Insofar as practicable, the Surgeon General shall obtain the agreement, prior to the issuance of any such regulations or amendments, of the State health authorities and, in the case of regulations or amendments which relate to or in any way affect grants under subsection (c) for work in the field of mental health, the State mental health authorities."

Regulations, etc., respecting grants.
