

such rates as in his judgment will produce power revenues which, together with power revenues from all other sales of power and energy, will be at least sufficient to cover (1) an appropriate share of the annual operation and maintenance cost, including reasonable provision for replacements; (2) the return, within not exceeding sixty-six years from the date upon which each feature becomes revenue producing, of an appropriate share of the construction investment properly allocable by the Secretary to commercial power and energy together with interest on the unpaid balance at a rate of not less than 2½ per centum per annum; (3) the return, without interest, within a period not exceeding sixty-six years, and, with respect to each irrigation block, within a period conforming so far as practicable to the period within which water users are required to repay their share of the irrigation costs of that share of the investment found by the Secretary to be properly allocable to irrigation but assigned for return from net power revenues.

SEC. 4. The Secretary of the Interior is authorized to enter into contracts for repayment of those construction costs of the development assigned to be repaid by the project water users, which, in the discretion of the Secretary, may require, among other things, that those charges be distributed between the presently irrigated lands and the new lands and among farm units in a manner that takes into account the productivity of the land and in the case of new lands the estimated cost of preparing the land for irrigation, all in the manner and to the extent that the Secretary shall find to be proper: *Provided*, That these charges shall be such as will provide for the payment of (1) an appropriate share of the annual operation and maintenance cost, including reasonable provisions for replacements, and (2) repayment within a period not exceeding sixty-six years without interest of an appropriate share of that part of the construction cost which can properly be allocated to irrigation and probably be repaid by the water users.

Repayment contracts.

SEC. 5. The power and energy revenues to be applied toward the fulfillment of the obligation to return that share of the investment found by the Secretary to be properly allocable to irrigation but assigned for return from net power and energy revenues may include one-fifth of the revenues derived from the interest component of power rates in addition to any and all sums otherwise assigned for such purposes from power revenues.

Power and energy revenues.

SEC. 6. The Secretary of the Interior is hereby authorized to construct extra capacity in the main canal for the future irrigation of approximately seven thousand acres of land, in addition to the presently proposed development, and to recognize the cost of providing such extra capacity as a deferred obligation to be paid at such time as the additional area may be brought into the project.

Extra capacity in main canal.

SEC. 7. There are hereby authorized to be appropriated, out of any moneys in the Treasury not otherwise appropriated, such sums as may be required for the purposes of this Act.

Appropriation authorized.

Acquisition of non-Federal land.

Right-of-way for stockmen.

Administrative jurisdiction.

SEC. 2. That for the purposes of acquiring non-Federal lands within the boundaries of said park as established by this Act, the Secretary of the Interior is hereby authorized, in his discretion, to exchange federally owned lands within sections 1, 12, and 13, township 148 north, range 100 west, and sections 6, 7, and 18, township 148 north, range 99 west. Reserving, however, to the stockmen of the surrounding area a perpetual right-of-way through the park for the trailing of livestock, to and from the railroad, along and adjacent to the Little Missouri River, being the same trail or route which has been used by the stockmen for that purpose since the beginning of the livestock industry in the area. Administrative jurisdiction over any of such lands that the Secretary of the Interior finds are not required for exchange purposes as herein provided may be conveyed to other Federal agencies by the Secretary of the Interior without exchange of funds, or if such lands are not required by other Federal agencies they may be conveyed to the State of North Dakota without reimbursement to the United States.

Approved June 12, 1948.
