SEC. 2. That said corporation is authorized to take and use for all purposes of a railroad, telegraph, and telephone line, and for no other purpose, a right of way one hundred feet in width through said Indian Reservation and to take and use a strip of land two hundred feet in width, with the length of three thousand feet, in addition to the right of way, for station purposes, not to exceed one station for every six miles of road, with the right to use such additional ground where there are heavy cuts or fills as may be necessary for the construction and maintenance of the roadbed, not exceeding one hundred feet on each side of said right of way, or so much thereof as may be included in said cut or fill; but no part of the lands herein authorized to be taken shall be leased or sold by the company, and they shall not be used except in such manner and for such purposes only as shall be necessary for the construction and convenient operation of said railroad, telegraph, and telephone lines; and when any portion thereof shall cease to be so used such portion shall revert to the nation or tribe of Indians from which the same was taken.

SEC. 3. That before said railroad shall be constructed through any lands held by individual occupants according to the laws, customs, and usages of any of the Indian members of said Menominee tribe or tribes through which it may be constructed, full compensation shall be made to such occupants for all property to be taken or damage done by reason of the construction of said railroad. In case of failure to make amicable settlement with any occupant, such compensation shall be determined by the appraisement of three disinterested referees, a majority of whom shall be a quorum for the transaction of business, to be appointed, one by the President, one by the Menominee Indians in
