[No. 8.] Joint Resolution. Empowering the National Board of Commissioners of the Chickamauga and Chattanooga National Park to authorize the State Boards, or organizations building monuments in the Park, to use the materials in said Park, agreeably to such regulations as it may adopt.

Preamble.

WHEREAS, The National Board of Commissioners of the Chickamauga and Chattanooga National Park, are in doubt as to their power in the matter of the disposition of certain material, the natural product of said Park; and

Whereas, It is desirable that the several states, who through their commissions, are about to build monuments pursuant to the original purpose of the legislation creating said Park; should have authority to use certain material found within the boundaries of said Park; and

Whereas, It will save to said boards of State Commissioners a large amount of the expense of the construction of said monuments, if they can procure the necessary stone for the foundations within the territory owned by the United States, in said Park; Therefore Be it Resolved by the Senate and House of Representatives of the United States of America, in Congress assembled, That the said Board of Commissioners heretofore appointed pursuant to the Statute creating said Park, is hereby empowered to authorize the boards or representatives of the several States building monuments upon said battle field, to take and use, under such rules and regulations, and upon such terms as said National Commission may direct, such stone and other material, including sand and gravel, as may be necessary to construct the foundation for any such monuments, and which may be found within the territory of said National Park, and the roads and highways leading thereto.
