Secretary of War to
 approve plans, etc.

Changes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the North Dakota and Minnesota Central Railway Company, a corporation organized, created, and existing under and by virtue of the laws of the State of Minnesota, be, and is hereby, authorized to construct, operate, and maintain a bridge and approaches thereto across the Red River of the North, at a point to be selected by said company and suitable to the interests of navigation, in township one hundred and forty-eight north of range forty-nine west of the fifth principal meridian. Said bridge shall be constructed to provide for the passage of railway trains, and, at the option of said corporation, may be so constructed as to provide for the passage of wagons and vehicles of all kinds, animals, and foot passengers, for such reasonable rates of toll as may be approved by the Secretary of War.

SEC. 2. That the bridge herein authorized shall be built and located under and in accordance with such regulations for the security of navigation as the Secretary of War shall prescribe; and to secure that object the said company shall submit to the Secretary of War for his examination and approval drawings showing the plan and location of said bridge, said drawings to give, for the space of one-half mile above and one-half mile below the proposed location, the topography of the banks of the river, the shore lines at high and low water, the direction and strength of the current at all stages, soundings accurately showing the bed of the stream, and such other information as may be required for a full and satisfactory understanding of the subject; and until the plan and location of the bridge are approved by the Secretary of War the bridge shall not be commenced or built; and any change in the plans of said bridge, either before or after construction, shall be subject to the approval of the Secretary of War; and any change in said bridge during or after construction which the Secretary of War may require in the interest of navigation shall be made by the said company at its own expense.

SEC. 3. That the said bridge shall at all times be so kept and managed as to offer reasonable and proper means for the passage of vessels and other craft through or under said structure; and if said bridge be built as a drawbridge the draw shall be opened promptly upon reasonable signal for the passage of boats or other craft, and whatever kind of bridge is constructed the said company shall maintain at its own expense, from sunset to sunrise, such lights or other signals on said bridge as the Light-House Board shall prescribe.
