Emery's elevating gun carriage.  
Vol. 27, p. 475.

That in the Act making appropriations for fortifications and other works of defense, for the armament thereof, for the procurement of heavy ordnance for trial and service, and for other purposes, approved February eighteenth, eighteen hundred and ninety-three, the paragraph beginning with the words "Of the one hundred and ten thousand dollars" and providing for terms of payment for the twelve inch elevating gun carriage to be contracted for with A. H. Emery under the provisions of said Act be, and is hereby, amended to read as follows:

Manner of payments changed.

Of the one hundred and ten thousand dollars to be paid for the carriage and its foundations, eighty-five per centum shall be paid in partial payments as the work progresses, in accordance with the proposals submitted by A. H. Emery to the Board in his letter of January twenty-first, eighteen hundred and ninety-three. And no bond shall be required for the return of this money if the carriage is not accepted, nor shall the said Emery be required to return the money paid, and the carriage shall belong to the United States when the tests are completed. The balance of the one hundred and ten thousand dollars shall be paid as soon as said carriage shall have been completed in all respects according to contract and shall also have undergone and endured a test satisfactory to the Board of Ordnance and Fortification. Of the twenty thousand dollars to be paid for the testing of the carriage three-eighths shall be paid the contractor when the preliminary tests are completed, and the other five-eighths shall be paid to him proportionally as the fifty rounds for proof are furnished. And the Secretary of War is hereby authorized and directed to enter into a supplemental contract with the contractor for this carriage, for the supply by him of a loading apparatus to go with and belong to the carriage and to be furnished therewith as a part thereof; and the carriage shall be so constructed that a part of the work of recoil can be used for the horizontal traverse of the carriage and the working of the loading apparatus; and the payment for the work so furnished under this supplementary contract shall be ten thousand dollars, which sum shall be due and payable when said loading apparatus is completed in all respects according to contract, and shall also have undergone and endured said test hereinbefore mentioned, to make which payment the sum of ten thousand dollars is hereby appropriated.

Contract for auxiliary loading apparatus.

Payments.

To enable the Board of Ordnance and Fortification to procure and test one eight-inch caliber high-power gun, cast in one piece, on the plan of R. J. Gatling; and the Secretary of War is hereby authorized and directed to contract with said Gatling for said gun, without advertisement, which gun shall be constructed according to the plans and specifications prepared by said Gatling, and under his supervision, and to be subjected to the same test now applied to the built-up gun of the same caliber, and the sum of forty thousand dollars is hereby appropriated to pay for said gun; of which sum eighty-five per centum shall be paid in partial payments as the work progresses, in accordance with the contract to be entered into between the Secretary of War and the said Gatling, and the remainder upon the completion and test of said gun: *Provided*, That before said contract is entered into, the plans and specifications for said gun shall be deposited with the Secretary of War, which plans and specifications may be modified, in the discretion of said Gatling, from time to time as the work progresses: *And provided further*, That the said gun shall conform in general form and dimensions to modern ordnance, and shall not therefor differ materially in form and dimensions from service guns, in order that it may admit of being mounted on a service carriage and in a service emplacement or fortification.

High-power gun,  
cast in one piece.
