CHAP. 1415.—An Act For the reappraisalment and sale of the undisposed lands within the Fort Walla Walla Military Reservation, in the State of Washington.

April 22, 1904.
(H. R. 12885.)

[Public, No. 138.]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the lands originally embraced within the Fort Walla Walla Military Reservation, in the State of Washington, remaining undisposed of shall be reappraised, under the direction of the Secretary of the Interior, by legal subdivisions, and the appraisers, in their report, shall note the character of each legal subdivision and state whether it is chiefly valuable for stone, mineral, timber, agricultural, or grazing purposes, and if any of the legal subdivisions of said land is improved the appraiser shall appraise separately the improvements on said land and the land independently of such improvements, and they shall describe generally the character of such improvements, and also report the names of the persons who made such improvements and the parties claiming to own the same.

CHAP. 1417.—An Act Authorizing the laying of water mains and service sewers in the District of Columbia, the levying of assessments therefor, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Commissioners of the District of Columbia be, and they are hereby, authorized and directed, whenever in their judgment the same may be necessary for the public safety, health, comfort, or convenience, to construct water mains and service sewers in any street, avenue, road, or alley in the District of Columbia; and the assessor of said District shall levy assessments for the same against abutting property in the amount and manner hereinafter prescribed.

SEC. 2. That for laying or constructing water mains in the District of Columbia assessments shall be levied at the rate of one dollar and twenty-five cents per linear front foot against all lots or land abutting upon that part of the street, avenue, road, or alley in which a water main shall be laid, and that for laying or constructing service sewers in the District of Columbia assessments shall be levied at the rate of one dollar per linear front foot against all lots or land abutting upon that part of the street, avenue, road, or alley in which a sewer shall be laid: *Provided*, That assessments for water mains and service sewers in the case of lots or parcels of land not more than one hundred feet in depth shall be levied upon the fronts or rears of such lots or parcels of land, and not upon both the fronts and rears of such lots or parcels of land; but lots or parcels of land more than one hundred feet in depth, except corner lots, shall be assessed upon both their fronts and rears when water mains or service sewers are laid abutting the same: *Provided*, That corner lots shall be assessed for water mains and service sewers only on their short fronts with a depth of not exceeding one hundred feet; any excess of the other front over one hundred feet shall be subject to assessment, as hereinbefore provided: *Provided*, That the areas of all lots or parcels of land which have been assessed for water mains by the square foot under any previous
