Repeal.

Approved, April 30, 1906.

CHAP. 2072.—An Act Permitting the building of dams across the north and south branches of Rock River, adjacent to Vandruffs Island and Carrs Island, and across the cut-off between said islands, in Rock Island County, Illinois, in aid of navigation and for the development of water power.

May 1, 1906.
[H. R. 14508.]

[Public, No. 137.]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the consent of Congress is hereby granted to Samuel S. Davis, of the city of Rock Island, in the county of Rock Island and State of Illinois, his heirs, executors, administrators, and assigns, to build, operate, and maintain dams across the north and the south branches or channels of Rock River adjacent to Vandruffs Island and to Carrs Island, and across the cut-off between said islands, in said county of Rock Island, State of Illinois, in aid of navigation and for the development of water power, together with such works and structures in connection therewith as may be necessary or convenient in the development of said power and the utilization of the power thereby developed; said dams may be built at or near the sites of the dams formerly existing across said branches and said cut-off, or at any place or places between said sites and the dams now constructed at or near the head of said Carrs Island for the purposes of the Illinois and Mississippi Canal, and the said Samuel S. Davis, his heirs, executors, administrators, and assigns are hereby authorized and empowered to draw and divert by canal, flume, or race, or canals, flumes, and races, from the pool formed by the construction of said dams and works incident thereto, such supply of water as may be required for the full and complete development and utilization of said water power, and to discharge the same into said Rock River or some branch or channel thereof at or near the lower part of said Vandruffs Island, or at some place or places on or near the north shore of said river or of the north branch or channel thereof opposite to or below said Vandruffs Island; and also for that purpose to construct, operate, and maintain such structures and improvements as may be necessary or convenient: *Provided*, That such dams shall not be built or commenced until the plans and specifications for their construction, together with such drawings of the proposed construction and such map of the proposed locations as may be required for a full understanding of the subject, have been submitted to the Secretary of War for his approval, or until he shall have approved such plans and specifications and the location of such dams and accessory works; and when the plans

for any dam to be constructed under the provisions of this Act have been approved by the Secretary of War it shall not be lawful to deviate from such plans, either before or after completion of the structure, unless the modification of such plans has previously been submitted to and received the approval of the Secretary of War: *Provided*, That in approving said plans and locations such conditions and stipulations may be imposed as the Secretary of War may deem necessary to protect the present and future interests of the United States, which may include the condition that said Samuel S. Davis, his heirs, executors, administrators, or assigns, shall construct, maintain, and operate, without expense to the United States, in connection with said dams and appurtenant works, a lock or locks, booms, sluices, or any other structures which the Secretary of War at any time may deem necessary in the interest of navigation, in accordance with such plans as he may approve, and also that whenever Congress shall authorize the construction of a lock or other structures for navigation purposes in connection with such dams, the person owning such dams shall convey to the United States, free of cost, title to such land as may be required for such constructions and approaches, and shall grant to the United States a free use of water power for building and operating such constructions: *And provided further*, That suitable fishways shall be constructed and maintained in said dams by said Samuel S. Davis, his heirs, executors, administrators, or assigns, at his or their own expense, as may be required from time to time by the Secretary of Commerce and Labor: *And provided further*, That said dams and other structures shall be so constructed as in the judgment of the Secretary of War not to interfere with the Illinois and Mississippi Canal and the operation thereof, and the Secretary of War shall at any time control said dams so far as shall be necessary for the purposes of said last above-mentioned canal, but shall not destroy or impair the water power developed by said dams, canals, and appurtenant structures to a greater extent than shall be necessary to provide proper facilities for the navigation of said Illinois and Mississippi Canal or other purposes affecting navigation; and the said Secretary of War may impose reasonable charges for the use of the flowage rights of the United States, if any, below the sites of the present Government dams at the head of said Carrs Island: *And provided further*, That the Secretary of War is hereby authorized, if in his judgment the interests of the United States will not be injured thereby, to permit the dam across the south branch of Rock River to be located and built on land belonging to the United States, under and subject to such terms and conditions as he may consider just and reasonable.

SEC. 4. That the right to alter, amend, and repeal this Act is hereby expressly reserved.

Approved, May 1, 1906.

CHAP. 2073.—An Act To create a board for the condemnation of insanitary buildings in the District of Columbia, and for other purposes.

May 1, 1906.
[S. 47.]

[Public, No. 138.]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That there be, and is hereby, created in and for the District of Columbia a board to be known as the board for the condemnation of insanitary buildings in the District of Columbia, to consist of the assistant to the Engineer Commissioner in charge of buildings, the health officer, and the inspector of buildings of said District, and to have jurisdiction and authority to examine into the sanitary condition of all buildings in said District, to condemn those buildings which are in such insanitary condition as to endanger the health or lives of the occupants thereof or of persons living in the vicinity, and to cause all buildings to be put into sanitary condition or to be vacated, demolished, and removed, as may be required by the provisions of this Act. Said board may authorize and direct the performance of any of the ministerial duties of said board by officers, agents, employees, contractors, and employees of contractors duly detailed or employed by the Commissioners of said District for that purpose. Said board, the members thereof, and all persons acting under its authority, may, between the hours of eight o'clock antemeridian and five o'clock postmeridian, peaceably enter into and upon any and all lands and buildings in said District for the purpose of inspecting the same. Said board shall report its operations to the Commissioners of the District of Columbia from time to time as said Commissioners direct. Said Commissioners shall furnish said board such assistance as may be required for the proper conduct of its work, by details from various departments and offices of the government of said District.

Members of.

SEC. 2. That a majority of the board for the condemnation of insanitary buildings shall constitute a quorum, and a majority vote of the members present shall be necessary to condemn any building under this Act. Whenever for any reason the health officer is unable to act as a member of said board one of the deputy health officers shall act as a member thereof in place of said health officer, and whenever for any reason the inspector of buildings is unable to act as a member of said board the principal assistant inspector of buildings shall act as a member thereof in place of said inspector of buildings; but no person shall act as a member of said board who has any property interests, direct or indirect, in his own right or through relatives or kin, in the building the sanitary condition of which is under consideration. The deputy health officer and the principal assistant inspector of buildings, when acting as members of the board for the condemnation of insanitary buildings in the District of Columbia, shall have all authority and duties which are vested by this Act in the health officer and the inspector of buildings, respectively, when acting in the same manner.

SEC. 3. That said board for the condemnation of insanitary buildings be, and is hereby, authorized to investigate, through personal inquiry and inspection by the members thereof, and through inquiry and inspection by officers, agents, and employees appointed or detailed for that purpose, into the sanitary condition of any building or part of a building in said District, except such as are under the exclusive jurisdiction of the United States. If any building or part of a building be found, as the result of such investigation, to be in such insanitary condition as to endanger the health or the lives of the occupants thereof or of persons living in the vicinity, said board shall cause a notice to be served on each owner or part owner of such building requiring him to show cause within not less than twenty days, exclusive of Sundays and legal holidays, from the date of the service of said notice why such building or part of building should not be condemned. And if within the time specified in said notice no cause be shown sufficient in the

Inspection, etc.
