CHAP. 2465.—An Act Authorizing the condemnation of lands or easements needed in connection with works of river and harbor improvement at the expense of persons, companies, or corporations.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That whenever any person, company, or corporation, municipal or private, shall undertake to secure, for the purpose of conveying the same to the United States free of cost, any land or easement therein, needed in connection with a work of river and harbor improvement duly authorized by Congress, and shall be unable for any reason to obtain a valid title thereto, the Secretary of War may, in his discretion, cause proceedings to be instituted in the name of the United States for the acquirement by condemnation of said land or easement, and it shall be the duty of the
