CHAP. 165.—An Act To provide for registration of all cases of tuberculosis in the District of Columbia, for free examination of sputum in suspected cases, and for preventing the spread of tuberculosis in said District.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That it shall be the duty of every physician in the District of Columbia to report in writing to the health officer of said District, within one week after the disease is recognized, on forms to be provided by said health officer, the name, age, sex, color, occupation, and address of every person under his care in said District who, in his opinion, is afflicted with pulmonary or other communicable form of tuberculosis. It shall also be the duty of the officer having charge for the time being of each and every hospital, dispensary, asylum, or other similar public or private institution in said District to report in like manner the name, age, sex, color, occupation, and last address of every person who is in his care or who has come under his observation within one week of such time who, in his opinion, is afflicted with pulmonary or other communicable form of tuberculosis.

District of Columbia.
Tuberculosis.
Physicians to report
cases to health officer.

Hospital, dispensary,
etc., cases.

Examination of
sputum

SEC. 2. That the health officer of said District shall promptly make, or cause to be made by a competent microscopist, a microscopical examination of the sputum of persons thus reported, and shall make a report thereof, free of charge, to the physician or officer upon whose application the examination was made. If the examination fails to show the existence of the disease that fact shall be recorded.

Register of cases.

SEC. 3. That the health officer of said District shall cause all cases showing the presence of tubercle bacilli to be recorded in a register of which he shall be the custodian, which register shall not be open to inspection by anyone except the health officer and the deputy health officer of said District, and neither said health officer nor said deputy health officer shall permit any such record to be divulged in such manner as to disclose the identity of the person to whom it relates except as it may be necessary in carrying out the provisions of this Act.

Instructions to
patients.

SEC. 4. That it shall be the duty of the health department, in every case where a microscopical examination reveals the existence of tuberculosis, to supply to such person, or those in charge of such person, unless otherwise requested by the attending physician, printed instructions as to the methods to be employed to prevent the spread of the disease.

Disinfection of
premises, on death,
etc., of patient.

SEC. 5. That in case of death from pulmonary or other communicable form of tuberculosis, or the removal from any apartment or premises of a person or persons so afflicted, it shall be the duty of the attending physician, if he has such knowledge, or, if there be no such physician or if such physician be absent, of the occupant or other person in charge of said apartment or premises to notify the health officer, in writing, of such death or removal, within twenty-four hours thereafter, and such apartment or premises shall then be disinfected by the health department at public expense or, if the owner prefers, by the owner to the satisfaction of the health department, and shall not again be occupied until so disinfected.

Rules, etc., to be observed.

SEC. 6. That it shall be the duty of every person afflicted with tuberculosis, and of every person in attendance upon anyone afflicted therewith, and of the authorities of public and private institutions or dispensaries in said District to observe and enforce all sanitary rules and regulations of the Commissioners of the District of Columbia for preventing the spread of the disease.

Registry of recoveries.

SEC. 7. That upon the recovery of any person who has been found to be suffering from tuberculosis a report to that effect to the health department, made by the attending physician, shall be recorded in the register aforesaid, and shall relieve said person from further liability to any requirements imposed by this Act.

SEC. 8. That any person violating any of the provisions of this Act shall, upon conviction thereof, be deemed guilty of a misdemeanor, and shall be punished by a fine not exceeding twenty-five dollars. Penalty for violations.

SEC. 9. That all prosecutions under this Act shall be in the police court of said District upon information brought in the name of the District of Columbia and on its behalf. Prosecutions.

SEC. 10. That all Acts and parts of Acts contrary to or inconsistent with the provisions of this Act be, and they are hereby, repealed. Repeal.

Approved, May 13, 1908.
