[No. 13.] Joint Resolution Designating the second Sunday in May as Mother's Day, and for other purposes.

Whereas the service rendered the United States by the American mother is the greatest source of the country's strength and inspiration; and

Whereas we honor ourselves and the mothers of America when we do anything to give emphasis to the home as the fountain head of the State; and

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the President of the United States is hereby authorized and requested to issue a proclamation calling upon the Government officials to display the United States flag on all Government buildings, and the people of the United States to display the flag at their homes or other suitable places, on the second Sunday in May, as a public expression of our love and reverence for the mothers of our country.
