JOINT RESOLUTION

July 18, 1935.
[H. J. Res. 201.]
[Pub. Res., No. 40.]

Giving authority to the Commissioners of the District of Columbia to make special regulations for the occasion of the Seventieth National Encampment of the Grand Army of the Republic, to be held in the District of Columbia in the month of September 1936, and for other purposes, incident to said encampment.

Grand Army En-
campment, District of
Columbia, 1936.
Preamble.
Vol. 38, p. 1222.

Whereas at the close of the Civil War the Grand Army of the Republic marched up historic Pennsylvania Avenue while the spirited tramp, tramp, tramp of their feet became the Nation's marching song, and again in 1915, when their ranks were beginning to thin, the Capital City once more welcomed the Boys in Blue as their footsteps again resounded to the old battle tunes; and Whereas the ranks of the three hundred thousand have dwindled away to hundreds, most of whom are in their ninetieth year; and Whereas it is the greatest desire of their hearts to hold their seventieth national encampment in the Capital of their country in 1936, and march, for the last time, up Pennsylvania Avenue; and it should be our pleasure and privilege to invite them here and show respect to the last of our Civil War veterans, who, as our President in his last message to them said, "have lived to see the

end of sectionalism and the final healing of the scars of conflict and the achievement of a true unity of national purposes": Therefore be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the Commissioners of the District of Columbia are hereby authorized and directed to make such special regulations for the occasion of the encampment of the Grand Army of the Republic, which will take place in the District of Columbia from September 21 to September 27, 1936, as they shall deem advisable for the preservation of public order and the protection of life and property, to be in force one week prior to said encampment, during said encampment, and one week subsequent thereto. Such special regulations shall be published in one or more of the daily newspapers of the District of Columbia, and no penalty prescribed for the violation of such regulations shall be enforced until five days after such publication. This resolution shall take effect immediately upon its approval, and the sum of \$15,000, or as much thereof as may be necessary, payable from any money in the Treasury not otherwise appropriated and from the revenues of the District of Columbia, in equal parts, is hereby appropriated to enable the Commissioners of the District of Columbia to carry out the provisions of section 1 of this joint resolution, \$1,000 of which shall be available for the construction, maintenance, and operation of public comfort stations and information booths, under the direction of said Commissioners.

SEC. 2. That the Commissioners of the District of Columbia are hereby authorized to permit the committee on illumination of the citizens' executive committee for the entertainment of the seventieth national encampment of the Grand Army of the Republic to stretch suitable conductors, with sufficient supports wherever necessary, for the purpose of effecting the said illumination within the District of Columbia: *Provided*, That the said conductors shall not be used for the conveying of electrical currents after September 27, 1936, and shall, with their supports, be fully and entirely removed from the streets and avenues of the said city of Washington on or before the 16th of October 1936: *Provided further*, That the stretching and removing of the said wires shall be under the supervision of the Commissioners of the District of Columbia, who shall see that the provisions of this resolution are enforced; that all needful precautions are taken for the protection of the public; and that the pavement of any street, avenue, or alley disturbed is replaced in as good condition as before entering upon the work herein authorized: *Provided further*, That no expense or damage on account of or due to stretching, operation, or removing of the said temporary overhead conductors shall be incurred by the United States or the District of Columbia: *And provided further*, That if it shall be necessary to erect wires for illumination purposes over any park or reservation in the District of Columbia that the work of erection and removal of said wires shall be under the supervision of the official in charge of said park or reservation.
