Whereas, due to a shortage of labor and equipment and the need for the production of essential food and fiber crops, the production of burley tobacco has not kept pace with this increased usage; and

The Commission shall, at appropriate times, furnish the Secretaries of War and Navy and the Administrator of the War Shipping Administration with any information received from a secretary of state as to the dates of elections in such State, including general, special, and primary elections. The Secretaries of War and Navy and the Administrator of the War Shipping Administration shall, whenever practicable and compatible with military operations, cause such information to be made available to persons to whom this title is applicable.

“COOPERATION WITH STATES

“SEC. 206. (a) It shall, wherever practicable and compatible with military operations, be the duty of the Secretary of War, the Secretary of the Navy, and the Administrator of the War Shipping Administration, respectively, to cooperate with appropriate State officers and agencies in transmitting to and from persons to whom this title is applicable, making applications therefor to their several States, such absentee ballots, and envelopes to be used in connection therewith, as may be provided under the laws of the several States for the use of such applicants, and to cooperate in the execution by such applicants of oaths in connection with such ballots.

“(b) The Secretaries of War and Navy and other appropriate authorities shall, so far as practicable and compatible with military operations, take all reasonable measures to facilitate transmission, delivery, and return of post cards, ballots, envelopes, and instructions for voting procedure, mailed to and by persons to whom this title is applicable pursuant to the laws of the several States, whether transmitted by air or by regular mail. Ballots executed outside the United States shall be returned by air, whenever practicable and compatible with military operations.

Air-mail return of ballots.

“SEC. 207. (a) It is recommended that the secretary of state of each of the several States, upon receipt of any such post-card application, promptly forward it to the proper county, city, or other election official or officials in order that the request for an absentee ballot may be acted upon as expeditiously as possible.

Forwarding of applications to local officials.

“(b) It is recommended that the several States cooperate, to the end that county, city, or other election officials be authorized and instructed, upon receipt of an application made upon such a post card, to mail promptly to the voter making the application, if legally permissible under the laws of the State, a suitable absentee ballot, including therewith a self-addressed envelope for the use of the voter in returning the ballot and any instructions to govern the use of such ballot and envelope.

Prompt mailing of ballots, etc.

“(c) It is recommended, so that the envelope in which the ballot is sent to the voter, and the envelope supplied for the return of the ballot, may be identified by the Post Office Department and other authorities as carrying an election ballot, that there be printed or stamped in a conspicuous place on each such envelope the words ‘Official Election War Ballot’. It is further recommended that, in the case of States in which no provision is made, either on the envelope or separately, for sending with the absentee ballots a printed form to be used by a voter for the purpose of establishing his legal right to vote, appropriate action be taken to have printed and enclosed with absentee ballots mailed in response to applications received on the post cards hereinbefore referred to, a form for the signature and oath or affirmation of the voter; and it is suggested that a form substantially as follows would be appropriate for such purpose:

Identification on envelopes.

Form for establishment of legal right to vote.

“Officer or other person signing above shall print his rank, rating, or title clearly here.

Suggested changes in State laws.

“(d) It is recommended that, in States where the voters' absentee ballot will not be available for mailing to the voter forty-five days prior to any primary, general or special election, such States cause to be made such changes in the election laws of their States as will lengthen such time; and that all States waive registration of all men and women in the military service who, by reason of such services, have been deprived of an opportunity to register.

Reduction in size and weight of paper.

“(e) It is further recommended that the several States, in order to reduce the weight and bulk for air transport of absentee voting material being sent to persons to whom this Act is applicable, reduce in size and weight of paper, as much as possible, envelopes, ballots, and instructions for voting procedure.
