

[CHAPTER 11]

AN ACT

To amend section 1442, Revised Statutes, relating to furlough of officers by the Secretary of the Navy.

February 28, 1945
[S. 219]
[Public Law 11]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 1442, Revised Statutes (34 U. S. C. 228), is hereby amended by striking out the period at the end of the sentence and inserting in lieu thereof "and Marine Corps, and any officer of the Coast Guard while the Coast Guard is operating as part of the Navy. This section shall not apply to reserve officers of such organizations.", so that said section when amended shall read as follows: "The Secretary of the Navy shall have authority to place on furlough any officer on the active list of the Navy and the Marine Corps, and any officer of the Coast Guard while the Coast Guard is operating as part of the Navy. This section shall not apply to reserve officers of such organizations."

Navy, Marine
Corps, and Coast
Guard.
Furlough of officers.

Approved February 28, 1945.

[CHAPTER 15]

AN ACT

To amend the Agricultural Adjustment Act of 1938, as amended, and sections 7 to 17 of the Soil Conservation and Domestic Allotment Act, as amended, to encourage the growing of war crops by protecting the allotments of producers of cotton, wheat, and peanuts.

February 28, 1945
[S. 338]
[Public Law 12]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That in establishing acreage allotments under subtitle B of title III of the Agricultural Adjustment Act of 1938, as amended, or under the Soil Conservation and Domestic Allotment Act, as amended, the Secretary of Agriculture, under regulations prescribed by him, may provide that for any crop year (beginning with the crop year 1945) during the present emergency any farm, with respect to which a cotton, wheat, or peanut allotment was established for the 1942 crop, shall be regarded as a farm on which cotton, wheat, or peanuts, as the case may be, were planted and grown, if the Secretary determines that, with respect to cotton or wheat, because of the production of war crops designated by him on such farm, or, with respect to cotton, wheat, or peanuts, because the owner or operator was serving in the armed forces of the United States, the cotton, wheat, or peanut production history of the farm for such year is not representative of the normal history of the farm.

War crops, acreage
allotments.

[CHAPTER 19]

AN ACT

March 2, 1945

[S. 35]

[Public Law 14]

Authorizing the construction, repair, and preservation of certain public works on rivers and harbors, and for other purposes.

Rivers and harbors, improvements.

Policy of Congress.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That in connection with the exercise of jurisdiction over the rivers of the Nation through the construction of works of improvement, for navigation or flood control, as herein authorized, it is hereby declared to be the policy of the Congress to recognize the interests and rights of the States in determining the development of the watersheds within their borders and likewise their interests and rights in water utilization and control, as herein authorized to preserve and protect to the fullest possible extent established and potential uses, for all purposes, of the waters of the Nation's rivers; to facilitate the consideration of projects on a basis of comprehensive and coordinated development; and to limit the authorization and construction of navigation works to those in which a substantial benefit to navigation will be realized therefrom and which can be operated consistently with appropriate and economic use of the waters of such rivers by other users.

In conformity with this policy—

Navigation or flood control.
Plans, reports, etc.

Investigations.

(a) Plans, proposals, or reports of the Chief of Engineers, War Department, for any works of improvement for navigation or flood control not heretofore or herein authorized, shall be submitted to the Congress only upon compliance with the provisions of this paragraph (a). Investigations which form the basis of any such plans, proposals, or reports shall be conducted in such a manner as to give to the affected State or States, during the course of the investigations, information developed by the investigations and also opportunity for consultation regarding plans and proposals, and, to the extent deemed practicable by the Chief of Engineers, opportunity to cooperate in the investigations. If such investigations in whole or part are concerned with the use or control of waters arising west of the ninety-seventh meridian, the Chief of Engineers shall give to the Secretary of the Interior, during the course of the investigations,

Waters arising west of 97th meridian.
