Upon the completion of the initial surveys, the Director shall report to the district judges, the councils and the conference concerning the number of referees, their respective territories, the amounts of their respective salaries, and the schedules of additional fees to be charged in asset, arrangement and wage-earner cases. The district judges shall advise their respective councils, and the councils shall advise the conference, in respect thereto, stating their recommendations and their reasons therefor. The conference shall determine, in the light of the recommendations of the Director and of the councils, the number of referees, full-time and part-time, to be appointed, the respective territories which they shall serve, including the regular place of office and the places at which courts shall be held, their respective salaries, and schedules of graduated additional

Such schedules of fees may be revised by the Director, with the approval of the conference, not more than once during each calendar year, so that the total amount of fees, allowances and charges collected and to be collected from all sources for the referees’ salary fund and for the referees’ expense fund will, as near as may be, equal for each fund, respectively, the total amount of salaries paid and to be paid to referees in active service, and the total amount of their expenses: *Provided, however*, That such schedules of fees shall not be so revised for any year that the total collections estimated by the Director for such year shall exceed by more than 10 per centum the total collections in the preceding year.
